Step 4: Verify your phone number

Click on the pencil icon to enter the mobile number you'd like to enroll for text banking alerts.

Sample text message

Here is your text banking validation code: **d49bcf**.

The image shows a mobile app screen for Roscoe Bank. At the top is the Roscoe Bank logo. Below it, the text 'Validation Code' is displayed. A prompt says 'Enter code to activate text banking' above a text input field. At the bottom, there are two buttons: 'Cancel' and 'OK'.

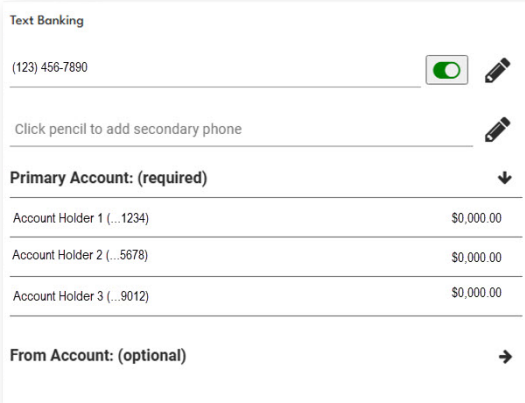

Step 5: Look for confirmation text

Once verified, you'll get another text message confirming your number is enrolled.

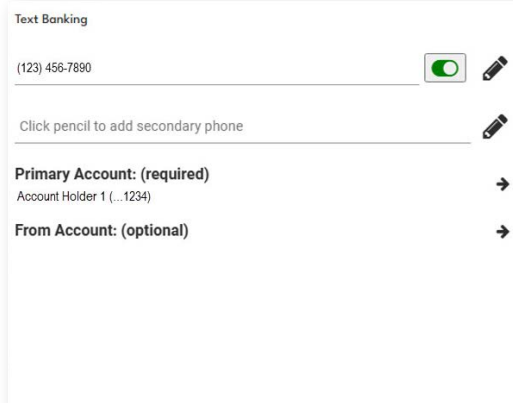

The phone number **(123) 456-7890** has been validated for text banking services. Please choose a primary account in your text banking settings.

Step 6: Choose your primary account

Select a **Primary Account** by clicking on the arrow, selecting an account, and clicking **Confirm**. This is the account that will be used for balance and transaction inquiries.

The image shows a 'Text Banking' settings screen. At the top, the phone number '(123) 456-7890' is displayed with a toggle switch and a pencil icon. Below this is a field to 'Click pencil to add secondary phone'. The 'Primary Account: (required)' section shows a dropdown menu with three options: 'Account Holder 1 (...1234)' with a balance of '\$0,000.00', 'Account Holder 2 (...5678)' with a balance of '\$0,000.00', and 'Account Holder 3 (...9012)' with a balance of '\$0,000.00'. The 'From Account: (optional)' section has a right-pointing arrow.

The image shows the same 'Text Banking' settings screen, but with the 'Primary Account' dropdown menu expanded. It shows 'Account Holder 1 (...1234)' selected, with a right-pointing arrow next to it. The 'From Account: (optional)' section also has a right-pointing arrow.

Once you've confirmed the account, you'll see it under the **Primary Account** field.
